Join the Chinatown Partnership and Chinatown BID for our next Open Streets program on Forsyth Street, between East Broadway & Division Street, tomorrow, Sat, July 27, 2024, from 11am to 4pm. Street Lab is bringing back OASIS, a pop-up, open-air, cooling station.

[OASIS](#) features a custom-designed misting river that encourages people of all ages to gather and cool off together, all without power. Additionally, Street Lab's IMAGINE program invites New Yorkers to share how heat affects their lives, learn about emergency resources, provide feedback on the OASIS design, and share ideas for permanent improvements to the streetscape that can add cooling and build community.

We'll also be joined by the [New York Chinese Cultural Center](#):

- Dance Performance: 11am to 11:30pm & 12pm to 12:30pm
- Kung Fu Workshop: 1pm to 1:45pm

And for the first time ever, we'll be hosting a rubber duck race. We look forward cooling off and having fun with you and your family tomorrow on Forsyth Street!

#STOPASIANHATE

Join AABANY and KALAGNY to support the family of Christina Yuna Lee in court on Tuesday, July 30, 2024. Christina's life tragically ended on February 13, 2022 when Assamad Nash broke into her apartment and stabbed her more than 40 times, killing her. Her killer has pleaded guilty to Murder in the Second Degree and Burglary in the First Degree and will be sentenced in New York Supreme Court to 30 years to life in state prison. Christina's violent death shocked the city's Asian American communities that were already suffering from ongoing attacks inspired by the pandemic. Let's gather to mark this moment of justice and to denounce anti-Asian hate and violence.
