MOCACREATE: Qixi for You & Me

Museum of Chinese in America
Saturday, August 10, 2 PM - 4 PM

August 10, 2024 is Qixi, the most romantic holiday on the Chinese Lunar Calendar. On this night, Niulang and Zhinü, the cowherd and weaver girl, are able to meet for just one night. Join the Museum of Chinese in America for an art workshop to help them reunite by adding a mixed-media magpie to their bridge of magpies and stars to shine the way. Then, celebrate those you adore by making a woven paper heart and to share how you feel.
