# DRI Project Updates: Building Upgrade Fund & Community Working Group

## March 2026 Progress

We continued to forge forward this month on our Downtown Revitalization Initiative (DRI) projects. Key milestones include:

- **Building Upgrade Fund:** The draft Eligibility & Scoring Guidelines are now complete. These guidelines will shape how local businesses and property owners can access this funding.
- **Community Working Group:** We are actively forming a Community Working Group/Advisory Committee that will provide essential input and oversight for both DRI projects.

## Looking Ahead to April 2026

We are building on this momentum with two key priorities for the coming month:

- Finalizing the **Eligibility & Scoring Guidelines** for the Building Upgrade Fund.
- Convening the first official meeting of the **Community Working Group/Advisory Committee**.

Stay tuned for more details as we prepare to move into the next phase of these exciting initiatives.
